

Western Reserve Native Sons

Proudly serving the Ohio communities of Cuyahoga Falls,
Kent, Hudson, Stow and Green

January 6, 2020

Dear Business Owner/Friend:

I belong to a non-profit organization called **Western Reserve Native Sons** (formerly YMCA Indian Guides). We are preparing to host our 4th Annual **Night At The Races on Saturday, March 21, 2020** at Quirk Cultural Center in Cuyahoga Falls. We would greatly appreciate your support to help us to "build strong kids, strong families, and strong communities".

Who are we?

The **Native Sons** program incorporates age-appropriate activities that are geared to strengthen father-son, spiritual, neighborhood, and inter-communal bonds. Program activities may include crafts, Indian lore, games, outings, service projects, or camping. More information about our organization can be found on the local and national websites.

Western Reserve Native Sons: wrnsd.org
National Longhouse: nationallonghouse.org

We are a 501(c)3 non-profit organization [EIN 81-2976096]. This is our major fundraiser for 2020. Proceeds from fundraising helps to defray various costs in our organization such as awards given to the boys, funding monthly activities and providing scholarship assistance to children who cannot afford the cost of our program.

How can you support our event?

- Donation of an item, service or gift certificate to be raffled or 'silently' auctioned
- Advertise your business in our event program
- Sponsor a race or be an event sponsor
- Make a cash donation

Our event program highlights our local business donors who support our event. **Donations must be received before Friday, March 13th in order to meet the program deadline.** On the reverse side, you will find a donation form -- please complete and include the form with your donation or ad orders.

Please feel free to call me with any questions, concerns or any donations that would need to be picked up. Thank you in advance for taking the time to consider this request. Your generosity is truly appreciated.

Sincerely,

Mike Panchur
