## WHAT IS ROCKET LEAGUE?

Rocket league is a sports video game where you control small cars and score goals. Kind of like playing indoor soccer with remote control cars! If you have never seen it, there are leagues and tournaments worldwide with the 2019 world champion taking home \$200,000! It is a game that can be played by everyone!

## WHY A ROCKET LEAGUE TOURNAMENT?

With the outbreak of COVID-19 all longhouse and tribe events have been canceled, but you can participate in this tournament from your own home while maintaining social distancing and all Ohio and CDC recommendations.

## WHAT DOES IT COST?
